[A Nietzsche Reader by Friedrich Nietzsche](#)

The literary career of Friedrich Nietzsche (1844-1900) spanned less than 20 years but a vast range of subjects. R.J. Hollingdale presents the breadth and depth of Nietzsche's thought. Whether he is addressing conventional western philosophical problems or breaking new ground, Nietzsche is always thought-provoking and often startling. We see a mind grappling with the fundamental issues of human existence, striving to extend the boundaries of thought and concluding that in the face of so much ...

Friedrich Nietzsche was born near Leipzig in 1844, the son of a Lutheran clergyman. At 24 he was appointed to the chair of classical philology at Basle University, where he stayed until forced by his health to retire in 1879. Here, he wrote all his literature, including Thus Spoke Zarathustra, and developed his idea of the Superman. He became insane in 1889 and remained so until his death in 1900.
