

## AC GRAYLING THE GOOD BOOK

Feb 27, 2021

[Ac Grayling The Good Book](#)

The Good Book is a book by A. C. Grayling. It was published in March 2011 by Walker & Company with the subtitle A Humanist Bible, and in April 2011 by Bloomsbury with the subtitle A Secular Bible. The book was designed as a secular alternative to religious text, and to be read as a narrative drawing on non-religious philosophy, including that from Ancient Greek, Chinese, Roman, Indian and Arab civilizations, as well as the European Renaissance and the Age of Enlightenment. The ...

AC Grayling has put together the treasures from three thousand years of human thinking. We see the stories from philosophers and sages of all civilizations across the world. What a treasure it is to see it all in one place. And these stories are even more assuring and supportive than the religious fictions. Grayling's exquisite wording is a match for the soul touching content of the book. With ...

The Good Book: a secular Bible AC Grayling Reviewed By Lloyd Geering | Published NZ Listener on June 27, 2011 By accident, I recently heard AC Grayling being interviewed on Radio New Zealand National's Saturday Morning with Kim Hill. Grayling holds a chair of philosophy at Birkbeck College in London and is president of the British Humanist Association. I warmed to what he said because I agree with his assertion that the humanist tradition has a long, widespread and noble history. To ...

The substitution of Grayling for God as ultimate author means that any analogy between The Good Book and 'the good book' is extremely thin. Grayling may be the ultimate editor and redactor of the sources drawn together in The Good Book, but that's as far as a secular doctrine of inspiration can go.

Someone once said, 'Respect the book, or you disrespect its author'; but it is better to respect not the author but the best of his mind from which his book came. In that way we respect and immortality, not a life ; lives burden the earth, but a good book is the distillation of something excellent, captured and stored to a use beyond the daily and the passing.

About The Good Book. Designed to be read as narrative and also to be dipped into for inspiration, encouragement and consolation, The Good Book offers a thoughtful, non-religious alternative to the many people who do not follow one of the world's great religions. Instead, going back to traditions older than Christianity, and far richer and more various, including the non-theistic philosophical ...

[The Good Book can't be bettered](#)

In his new book, The Good Book: A Secular Bible, the philosopher sets out his manifesto for rational thought. He talks about why religion angers him, the power of philosophy – and his mane of hair

As Grayling notes, this is "essential to the life worth living," a matter dear to the very "first" philosophers: Thales, who relied on observation and reason to "know thyself," and Socrates, for whom the first great question was how to live. As he moves into the more recondite reaches of "analytic" and language philosophy of the 20th century, the author mostly keeps the ...
