Beyond Possession. Beyond, Novella #5.5. Tatiana Stone has worked hard to establish herself as one of Sector Four's most skilled crafters. All she wants is peace—but the sins of her father haunt her. He ruled the sector as a petty tyrant before the O'Kane takeover, and plenty of people harbor bitter memories of his cruelty. Especially now that Tatiana's beloved baby sister has fallen ...

I've read every book in the Beyond Series so I know good Kit Rocha from this one, and this one is just not as good. The whole "interim novella" purpose is to bridge the Beyond series and give us a glimpse of characters that the authors won't be writing complete novels about. This book left me feeling a little empty - just not enough story or time or both to build the proper character ...

The Beyond Series features stories set in a post-apocalyptic world where the rich and powerful have claimed ownership of the country's only self-sustaining city. Those who live within Eden's walls must abide by a strict moral code or risk exile to the brutal, lawless sectors. Gangs and petty dictators rule the slums, but not all kings are ...

A Beyond Novella (#3.5) Hacker Noah Lennox lives in the shadows, fighting a one-man war against the corrupt leader of Sector Five. The only weak spot in his armor is his best friend's sweet younger sister—the girl he swore to save, even from himself. With her brother dead and a target on their backs, getting her out of the sector—and out of danger—meant giving her up for good. Or so he ...
