Black Working Wives: Pioneers of the American Family Revolution. Bart Landry. Berkeley: University of California Press. 2000. 287 pp. ISBN 0-520-21826-4. \$24.95 (cloth). The idea that marriage should be an egalitarian union is a pervasive and rising social ideal. Journalists, scholars, and laypersons often refer to second wave feminism as the major social movement ushering out "traditional" marriage and giving rise to ideals of gender equality. Second wave feminism was not the exclusive, nor ...

[Black Working Wives Pioneers Of The American Family Revolution](#)

this reviewer, Bart Landry's Black Working Wives: Pioneers of the American Family Revolution served as a memory book, of sorts. The reviewer recalled her childhood where most of the families in her working-class, African-American neighborhood were headed by two (working) adults, when women's work included work both inside and outside of the home, and when most Black girls'

"Bart Landry's Black Working Wives is a very comprehensive account of the family revolution in America. I learned a great deal reading this thoughtful book. Landry's discussion of the dual career marriages of black women decades before the feminist revolution, and the lessons they provide not only for understanding dynamic changes in American families but also for anticipating the future of the modern two-career family, is insightful and persuasive." William Julius Wilson, author of

Most Americans have a decent idea of when and how their ancestors ended up in the United States. For those whose roots date all the way back to the American Revolution, the historic war that earned the United States its independence from England, there is a special group that is dedicated to preserving and promoting the ideals that early Americans fought for -- the National Society of ...

[The Black Pioneers](#)

This history of marriage in America in the 1800s and early 1900s provides insight into the views and roles of husbands and wives during this time period. We also discuss age at marriage statistics, sex and sexuality in marriage, and societal expectations of husbands and wives in the late 19th and early 20th centuries.

Thomas Peters, born Thomas Potters, was a veteran of the Black Pioneers, fighting for the British in the American Revolutionary War. A Black Loyalist, he was resettled in Nova Scotia, where he became a politician and one of the "Founding Fathers" of the nation of Sierra Leone in West Africa. Peters was among a group of influential Black Canadians who pressed the Crown to fulfill its commitment for land grants in Nova Scotia. Later they recruited African-American settlers in Nova ...

In 1969, Beal helped clarify the struggles of black women in the influential essay "Double Jeopardy: To Be Black and Female" that also appeared in the landmark 1970 anthology The Black Woman, which ushered in a new wave of black female writers. Beal identified capitalism as a key factor in the chasm between black men and women. During the early 1970s, the BWLC evolved into the Third World ...

[Black Power | National Archives](#)

When America was founded, a family consisted of a husband, wife, biological children and extended family — except for in the case of slaves. This meant that most people who could legally marry did, and then stayed married until death. Divorce was rare. Because this structure was so dominant, it played "a crucial role in the creation and replication of cultural roles for men and women ...
