Conscious Luck ? We're excited to be bringing bestselling author Gay Hendricks to our community of heart-centered entrepreneurs to share wisdom from his new book, Conscious Luck, which he and co-author Carol Kline recently published. They challenge the idea that luck is completely random, or that some people are lucky and others aren't, and paint the now scientifically backed picture that luck ...

Mar 31, 2020 09:30AM By Carol Kline Olga Danylenko/Shutterstock.com. By its very definition, luck is random, capricious and based on chance rather than our own actions. Yet there is reason to believe that might not be the whole story—that living a charmed life and being lucky both in and out of a chosen field is within our control. Recent research in the field of positive psychology and the ...
