I switch up the type of warm up we do daily to keep it fresh and interesting. Also, depending on the class' mood, energy level, etc. we may need to be up and moving around to get the jitters out or we may need to turn out the lights and have a quiet drill-type of warm up. So here are my 5 FAVORITE types of math warm ups: [1] Number Talks. Number talks are such an amazing way to get students ...
