[Dropped Names: Famous Men and Women As I Knew Them by ...](#)

Frank Langella's memoir is not the usual author's ego trip, but rather his remembrances of the many accomplished men and women that he has come to know." (Gay Talese, author of A Writer's Life) "A delightfully unabashed page-turner about people we wish we had known in the throes of work, love, and growing old." (A.R. Gurney, award-winning playwright)

[Dropped Names Famous Men and Women As I Knew Them by Frank Langella](#)

"Dropped Names: Famous Men and Women As I Knew Them" is a collection of illuminating portraits of the people he has met and known as well as deeply revealing memories told with a rare honesty. With sharp wit and a skillful narrative style, Langella affectingly limns portraits of lost friends, enemies, idols and liaisons that are funny, moving, wicked, sometimes shocking and totally addictive ...

Dropped Names: Famous Men and Women As I Knew Them by Frank Langella . Book Review by Michael Ladenson. It's not every thespian that Al Pacino dubs "a great actor," especially after they've walked out on one of Pacino's pet projects. But in the film Looking for Richard, the star's exploration of Shakespeare's Richard III, that's how he refers to Frank Langella, who originally signed on to play ...

[Book review: 'Dropped Names.' by Frank Langella - The ...](#)

Dropped Names: Famous Men and Women As I Knew Them by Frank Langella. Nice to come away from this book feeling that the man that was described by a fellow actor friend of my family growing up as singularly self-absorbed and vain may have grown up. Which means it is in an odd zone — not quite the "breezy" memoir that Langella seems to want to present, but langella is it deep enough nanes ...

[Dropped Names : Frank Langella : 9780062094476](#)

Dropped Names: Famous Men and Women As I Knew Them is so damned interesting and well written that it should be savoured, but that is almost impossible. I dashed through the book in one sitting and will read it again just to study Langella's literary artistry. My only quibble is that Langella doesn't mention Kate Nelligan, his ravishing leading lady in John Badham's 1979

[FRANK LANGELLA DROPPED NAMES PDF](#)

" Frank Langella's interesting take on a memoir - reflecting on the rich and famous he's encountered and known over the past 50 years or so - Dropped Names is a delightful read, dishy, a little scandalous here and there, and entirely engaging. The anecdotes are each very well written - one learns as much about Langella as the particular celebrity he's writing about. The stories range from LOL ...
