John Henry Cardinal Newman begins the Essay with a definition of development, pointing out that the real problem is how to distinguish true developments from corruptions and decays. He then goes on to sweeping consideration of the growth and development of doctrine in the Catholic Church, from the time of the Apostles to Newman's own era.

John Henry Newman (1801–1890) remains one of the best-known and influential English churchmen of the nineteenth century. Ordained as a priest in the Anglican Church in 1825, he converted to Roman Catholicism, being ordained as a priest and later appointed cardinal. His works include Grammar of Assent (1870) and Apologia Pro Vita Sua (1865–1866) as well as this Essay (1845), written in the ...

1681 An Essay on the Development of Christian Doctrine, by John Henry Newman (read 25 Dec 1981) This is the 1845 edition of this famous work. I confess I found it hard to read, and not what I expected. Newman's arguments are not as dependent on reasoned proof as I would like, and I found some of his arguments not overly convincing. He obviously was very well-versed in early Church history--in ...
