

## FIXED EXPRESSIONS AND IDIOMS IN ENGLISH A CORPUS BASED

Sep 20, 2020

[Fixed Expressions And Idioms In English A Corpus Based](#)

Corpus-based studies such as those by Moon (1998), Riehemann (2001), and Grant (2005) conclude that idioms are not as fixed as most have assumed. These claims are often based on observing certain...

[Fixed Expressions and Idioms in English: A Corpus-based ...](#)

This is a text-based account of English fixed expressions and idioms. It sets out to describe the characteristics, behaviour, and usage of fixed expressions and idioms as observed in text, in particular in corpus text. My central contention is that such items can only be properly described and understood if they are considered together with the contexts in which they occur: I take it for granted that this should involve corpus evidence. I will report on the frequencies, forms, and functions ...

[Rosamund Moon-Fixed Expressions and Idioms in English - A ...](#)

At this point we will turn our attention to idioms and fixed expressions, both of which are generally characterized by rigidity in patterning. In other words, the parts of speech cannot be changed (from verb to noun for example) and the word order must remain the same. An idiom is an expression with at least two words which cannot be understood literally, and for which the meaning is based on ...

This is a text-based study of fixed expressions, or idioms. Rosamund Moon's central argument is that fixed expressions can only be fully understood if they are considered together with the texts in which they occur. She provides an overview of this area of lexis in current English. Writing from a lexicological rather than a computational point of view, she gives a detailed, descriptivist account ...
