This is an updated edition of Conrad Totman's authoritative history of Japan from c.8000 BC to the present day. The first edition was widely praised for combining sophistication and accessibility. This title covers a wide range of subjects, including geology, climate, agriculture, government and politics, culture, literature, media, foreign relations, imperialism, and industrialism. It is updated to include an epilogue on Japan today and tomorrow. Now includes more on women in history and ...

A History of India (Blackwell History of the World) Burton Stein, David Arnold. I am a professional history teacher who bought this book while looking for a good, scholarly, substantial, one-volume history of India. It was a waste of \$40. The author was an American Marxist historian who, while he taught in a British university, maintains throughout a virulently anti-British drumbeat. He even ...
