[Innovations in Refugee Protection. Luise Druke. July 8, 2014. Leibniz Universität Hannover \(LUH\)](#)

Luise Druke This compendium synthesizes innovations of the UN High Commissioners for Refugees (UNHCR) since 1951. The book bridges the gap between academic and field work and uses Joseph Nye's concept of «soft power» as a methodological approach for understanding and solving political and ethical refugee protection dilemmas.

[Rethinking refugee protection | Rethinking Refuge](#)

Refugee camps are often viewed as temporary refuges for people fleeing war and violence. However, due to conflicts and refugee situations becoming ever more protracted, refugee camps also become permanent or semi-permanent homes and have developed into towns and cities of their own in many cases. This session, convened by the German Federal Ministry for Economic Cooperation and Development ...

[Social Innovation in Refugee Support: Investigating ...](#)

refugees are eligible to receive various social services, making their entry in the United States a different process than that of documented and undocumented immigrants. Though immigration policy and funding for refugee services are primarily the domains of the federal government, funds are allocated to states while states and local municipalities deliver services. In fiscal year 20154 the ...

Director of the RLI and a recognised specialist in the field of refugee protection and forced migration studies. His research addresses the practical protection of refugees and other displaced persons, particularly during situations of armed conflict. His interests include refugee law, human rights law, and the international law of armed conflict. In 2016, David was appointed Senior Advisor to ...

[Social Protection | Refugee Economies](#)

Worldwide, refugee numbers are on the rise. This trend is reflected in rising numbers of asylum applications in Germany - a development that challenges the national asylum system and corresponding politics. However, the sovereignty of states with regard to asylum policies is limited by international regulations on refugee protection.
