(PDF) Educational Leadership - ResearchGate General Overview of Educational Leadership Styles and Related Theories. While literature on educational

leadership styles and related leadership theories has been contested by scholars in works such as Spillane, et al. 2004, representative research discusses leadership styles as relevant to the field. Contributions on educational leadership styles provide reference points from which to begin a ...

The Journal of Blacks in Higher Education regularly publishes a list of new books that may be of interest to our readers. The books included are on a wide variety of subjects and present many different points of view. The opinions expressed in these books do not necessarily reflect the views of the editorial board of JBHE.
