[John deere lawn mower repair manual - Learner.org](#)

There are different types of drive systems for John Deere lawn mowers. The first, and most common, is a mechanical system--a pulley that slides into position by a lever, which creates tension on the mower deck belt and causes the blades to turn. The second is an electrical system; an electric brake clutch is turned on by a switch that then sends a 12-volt current to the clutch, which enables a ...
