JOAN MERCER. Now, in this video I talk to you about why I wrote my book Knowledge Is Power and why I created The Conscious Co-Creation Course. Two things that have taken me a lot of time to write and create for the benefit of others. And, the main thing I want to achieve through this, is to help people discover how powerful they really are! Social Media pages allow me to share my guidance ...

Knowledge is Power by John Henry (Cambridge, England: Icon Books, 2002). This short, quick read attempts to put into context Francis Bacon's contribution to and status in Empiricism (and modern science). Henry notes that Bacon was the first great advocate of the use of empirical investigation as a means to gain knowledge, as well as an advocate of the goal of increasing knowledge for the sake ...

Knowledge is power; the more of it you have, the more power you have. The good news is that there is a virtually unlimited amount of knowledge available to you through the Internet and other sources. The bad news is that the limiting factor in acquiring it is you. The problem is not the availability of knowledge; it's how hungry your mind is.

Knowledge is Power. Chapter 30. Bella's nerves were stretched tighter than a dragon's heartstring, she had been hiding below the stadium for two days now, laying low as the aurors guarded the entrances and contestant tent without once searching the arena before the event. She'd watched the whole by-play with the half giant, couldn't these people at least have some respectable friends? As they ...
