Civilizations have been very important to the evolution of human history. For example the Sumerians invented the wheel. Even though this was a very ancient invention our modern "gadgets" such as car depend on wheels. Also these ancient civilizations are the basis of some of our traditions. For example Halloween was the day the Ancient Celts thought that the ghosts and spirits would come out ...

Why Did Ancient Civilizations Fail? evaluates the current theories in this important topic and discusses why they offer only partial explanations of the failure of past civilizations. This engaging book offers a new theory of collapse, that of social hubris. Through an examination of Mesopotamian, Egyptian, Roman, Maya, Inca, and Aztec societies, Johnson persuasively argues that hubris blinded ...
