This manual is your guide to using the Micros 3700 POS System. All normal user and manager functions are explained here. The User's Manual does not provide guidance for modifying or programming the 3700 system's database, nor for installing, troubleshooting, or servicing the 3700 system. Most users will not need to perform these tasks. If you need programming or troubleshooting information, refer to the appropriate manual (see the list on page xi). Who Should Use This Manual? Servers ...
