Although writing a job resignation letter is not necessary, it is a nice piece that shows you are quitting your current job on a good note. And unless the employer is willing to reconsider the terms and conditions of work, they might have zero chance of convincing you to keep working at the company instead.

[25 Ridiculously Funny Resignation Letters](#)

A letter of resignation is written to announce to human resources, superiors, and co-workers an employee's intent to leave his or her current position. A resignation letter not only describes the employee's intent to leave, but also provide information about the last day worked and other details. This eases the transition for both employer and employee. Often, resignation letters will also ...
