I highly recommend this book for anyone interested in learning more about the basics (and even more complex recipes) involved in building and cooking a tasty pizza. Not only does this book lay out all that is required for creating dozens of different pizzas, it also delves into the different ovens and wood that can be used to alter the taste. I received this product for free in exchange for my ...

This taco pizza is just plain delicious. This is a great tool to teach kids about cooking, and they will love proudly gobbling up every bite. Homemade Fruit Leather | Fresh Off The Grid Fruit leather is so much fun! You will need to have a dehydrator for this recipe, and your students will love learning about this process.

### [Pizza and bread recipes - Weber](#)

The beauty of Nancy Silverton's Pizza Dough is that she went about creating it from a bread baker's perspective stemming from her beginnings at L.A.'s La Brea Bakery. Her goal for the pizzas at Mozza was to create a dough with an open hole structure, where the just baked crust was full of big, irregular air pockets, giving it an airy cornice (or outer rim).
