RACIAL POLITICS IN POST REVOLUTIONARY CUBA

Sep 18, 2020

[Racial Politics In Post Revolutionary Cuba](#)

Racial Politics in Post-Revolutionary Cuba Using interviews, as well as survey and archival research, this book analyzes race relations under the Castro regime and places the Cuban revolution in a comparative and international framework. In doing so, Sawyer challenges other scholarly arguments either that the

Winner of both the Ralph Bunche Award, and W.E.B. Du Bois Outstanding Book Award, "Racial Politics in Post-Revolutionary Cuba" uses analysis of the successes and failures of race relations within Castro's Cuba to offer a balanced view of how much of Cuban racial ideology was actually left unchanged by the revolution. The author challenges arguments that the regime eliminated racial inequality altogether as well as those claiming that Cuba remains profoundly racist.

Part 1: Cuba, The Unity of the People. Part 2: Cuba's Workers After the Revolution. When it came to race, it carried out some important reforms in race relations, such as the desegregation of beaches and provincial parks, and class-based reforms, such as in the areas of education and health, that disproportionately benefited black Cubans.

Through interviews, historical materials, and survey research, Racial Politics in Post-Revolutionary Cuba provides a balanced view. The contemporary outlook of the book demonstrates how much of Cuban racial ideology was unchanged by the revolution. Finally, the book holds that despite these shortcomings, the regime remains popular among blacks because they perceive their alternatives of the U.S. and the Miami Exile community to be far worse.

In several places Benson discusses the best-known slave rebellions of the nineteenth century, arguing that these insurgencies "created lasting anxieties about black-led politics that reappeared throughout the early republic and post-1959 any time Afro-Cubans pressed too strongly for racial equality." This is an excellent observation, but it is also true that the Revolution appropriated the history of slave rebellions as part of a national imaginary seeking to fashion itself as antiracist ...

After the triumph of the Cuban Revolution, Fidel Castro acknowledged the prevalence of racism and launched a set of reforms intended to eliminate racial disparity in public spaces, education and employment. However, he failed to adequately address its cultural and societal roots. After a few years, he declared his policies a success and made any further discussion of race or racial inequality ...

My project shows how the post-1959 Cuban revolutionary government highlighted racial conflicts to undermine counterrevolutionary movements and solicit support from Afro-Cubans. Using a variety of sources, including Cuban newspapers, government speeches, and photographs, my dissertation reveals how the new leadership publicly discussed the problems facing people of color, an issue frequently ...

[Aftermath of the Cuban Revolution - Wikipedia](#)

The Revolution had solved Cuba's historic race problem: Racism and discrimination were things of the past. What had been the subject of a fruitful and unprecedented public debate in the early post-Revolutionary years eventually became a taboo. Thus, attempts to debate publicly the limitations of Cuba's integration were considered to be the enemy's work. The authorities admitted that ...

The Cuban exodus has followed the ebbs and flows of the Cuban Revolution and the country's persistent conflicts with the United States. With the thawing of U.S.-Cuba relations since 2014, however, U.S. policy toward Cuban migration has come full circle. Cubans were transformed from "welcome exiles" in the 1960s to "illegal migrants" in the 1990s if arriving by sea (though those who ...
