

SOCIOLOGY OF MENTAL DISORDER

Apr 23, 2021

[Sociology Of Mental Disorder](#)

In sociology, deviance describes an action or behavior that violates social norms, including a formally enacted rule (e.g., crime), as well as informal violations of social norms (e.g., rejecting folkways and mores). Although deviance may have a negative connotation, the violation of social norms is not always a negative action; positive deviation exists in some situations.
