

TALES OF THE MADMAN UNDERGROUND JOHN BARNES

Sep 30, 2020

[Tales Of The Madman Underground John Barnes](#)

Tales from the Madman Underground is an interesting book. The voice of Karl Shoemaker is hilariously real and sadly familiar all at once. Too many kids face the same problems as Karl. Not many of them, though, face them with such a relentlessly entertaining point of view. For a book that begins with a dead father, a might-as-well-be absentee mother, addiction and mental illness, Tales of the Madman Underground is a surprisingly upbeat and hopeful novel.

Tales of the Madman Underground I've been going back to the local public library since they laid on (opposite of laid off?) my friend who worked there and began buying new books again. Last time I was there, my friend handed me a new YA book that hadn't even made it to the shelf yet, Tales of the Madman Underground, by John Barnes.
