Tales of the Otherworld is the second collection of short fiction which takes place in the Otherworld universe. The first collection, Men of the Otherworld, was unique as it almost read like a novel, telling us the history of the werewolf pack, while focusing on the characters of Clay and Jeremy. Tales of the Otherworld is a little closer to what you'd expect from such a collection, delivering us the stories that couldn't fit in the Otherworld novels. Like Men of the Otherworld, the ...

In some tales, the Otherworld is reached by going under the waters of pools, lakes, or the sea, or else by crossing the western sea. In Irish Immrama ("voyage") tales, a beautiful young Otherworld woman often approaches the hero and sings to him of this happy land. Sometimes she offers him an apple, or the promise of her love in exchange for his help in battle. He follows her, and they journey ...
