÷÷÷ To tell you the truth I represent two person, one real and one pseudonymous. The real one was born in the middle of the last century in one country called Bulgaria (which now turned to be European poorest area), in an ancestrally intellectual family. As a result of this I have received two and a half tertiary educations in the exact sciences and in three different countries, and at the ...

This is philosophical book, but it is popular, without special terms, so that it is accessible to all. To a certain extent the cynicism is worldview that does not preach moral (even on the contrary) and does not idealize the things, but, regardless of this, gives serious look about the world. As far as it is long for this site it is split in six parts in the limits 50 – 100 KB.

Entdecken Sie "English Poetical Notebook - (Collection Of Early Verses)" von Chris Myrski und finden Sie Ihren Buchhändler. Here are gathered all my early (till 2015) poetical attempts in English, which are not very much and are also quite different in their genre, although all are mostly light verses with the so called nursery rhymes (but that is what I like to read and write). After about ...
