Various Positions is the seventh studio album by Leonard Cohen, released in December 1984 (and February 1985). It marked not only his turn to the modern sound and use of synthesizers (particularly on the opening track), but also, after the harmonies and backing vocals from Jennifer Warnes on the previous Recent Songs (1979), an even greater contribution from Warnes, who is credited equally to ...

Jesus fulfilled the law and died on the cross, demonstrating what love truly looks like. We are called (and empowered by the Holy Spirit) to turn around and die to ourselves so that the world can know God’s love through us. Truly, God’s law is beautiful as we live in this law of love, we experience God in a new way and those around us see Jesus.
