The Lean Startup is about learning what your customers really want. It's about testing your vision continuously, adapting and adjusting before it's too late. Now is the time to think Lean.

[The lean startup : how constant innovation creates ...](#)

This startling admission appears in the first page of The Lean Startup: How Constant Innovation Creates Radically Successful Businesses, by Eric Ries (2011). Should we congratulate him on his fresh approach, or laugh at him for missing the only true guidance that product development can trust, that is, the customer? The truth is somewhere between the two. Ries has written a book that some have ...
