Theodore Roosevelt and his band of Rough Riders successfully demolished and out-maneuvered the Spanish fleet in less than four months, boosting American exceptionalism. This added boost led to further intervention in foreign affairs. Although McKinley and Roosevelt in hindsight would refer to the Spanish–American War as a "splendid little war", it was much more complex than that. As the ...

President Roosevelt was strongly linked to the military throughout his life, so it shouldn't come as a surprise that his son was too. The elder Roosevelt, in fact, was largely responsible for organizing the Rough Riders during the Spanish-American War of 1898. This was a voluntary regiment that has become notorious since that conflict's end.
