As the novel begins, Joe and his father, Bazil, who works as a tribal judge, are weeding saplings out from the foundation of their house. After a while, they realize that Geraldine, Joe's mother, has not yet come home. Joe and Bazil decide to go look for her. They are on the highway when Geraldine speeds past them going back to the house.

At the round house, Geraldine was attacked by a man who put a pillowcase over her head and then raped her. After he was finished, he took her inside the round house where Mayla and her baby were. The man began screaming at Mayla, calling her names because he apparently loved her but she had another man's baby. The man then poured gasoline over both women but was unable to start a fire.

Erdrich's novel, The Round House is filled with symbolism. The strongest example, however is at the beginning of the novel, when Joe and his father are removing the roots and weeds from in between the cement blocks. This scene comes back to Joe's memory a few times throughout the story and it is reinforced throughout many places in the book.
