The Thirties: An Intimate History by Juliet Gardiner An energetic and vivid portrait of 1930s Britain is told through the stories of its citizens, from George VI to the infamous Vicar of Stiffkey,...

[The Thirties: An Intimate History by Juliet Gardiner](#)

Juliet Gardiner takes on the daunting task of giving an intimate history of this decade and she does so beautifully. She does not shy away from the unpleasant facts of poverty and a massive class divide, but the book is certainly not depressing. She paints a picture of a country with all its habits, problems and pleasures and she does so brilliantly, linking everything to both the previous ...
