[Uninhibited, Robust and Wide-Open: a free press for a new century](#)

Lee Bollinger is one of our foremost experts on the First Amendment--both an erudite scholar and elegant advocate. In this sweeping account, he explores the troubled history of a free press in America and looks toward the challenges ahead. The first amendment guaranteed freedom of the press in seemingly clear terms. However, over the course of American history, Bollinger notes, the idea of ...

[Uninhibited, Robust, and Wide-Open: A Free Press for a New ...](#)

Bollinger stresses that even though the law will surely evolve in the coming years, we must maintain our commitment to a press that is "uninhibited, robust, and wide-open," not only in America but everywhere. Given the new ability of foreign media to reach the United States via the Internet and vice versa, it is in America's national interest for press freedoms to expand overseas. While ...
