When the second Bank of the United States went out of business in 1832, state governments took over the job of supervising banks. This supervision often proved inadequate. In those days banks made loans by issuing their own currency. These bank notes were supposed to be convertible, on demand, to cash—hat is, to gold or silver. It was the job of the bank examiner to visit the bank and ...

The bank's purpose was to handle debt from the Revolutionary War, create a standard form of currency, and raise money for the new government. Instead, it became corrupted to profit the wealthy, leading Congress to deny the renewal of its charter in 1811 by one vote. The Second Bank of the United States, chartered in 1816, didn't last long ...

History. While financial institutions took steps to implement e-banking services in the mid-1990s, many consumers were hesitant to conduct monetary transactions over the web. It took widespread adoption of electronic commerce, based on trailblazing companies such as America Online, Amazon.com and eBay, to make the idea of paying for items online widespread. By 2000, 80 percent of U.S. banks ...
